Cookie policy of Orion Complex Fleets

Scope

This Website is offered to you by Orion Complex Fleets B.V. ("Orion"). Orion aims to make your online experience and interaction with our websites as informative, relevant and supportive as possible. One way of achieving this is to use cookies, web beacons or similar techniques, which store information about your visit to our site on your computer. We feel that it is very important that you know what cookies our website uses and for what purposes. This will help protect your privacy, while ensuring our website's user-friendliness as much as possible. Below you can read more about the techniques used by and via our website and the purposes for which they are used. This is only a statement about privacy and our use of website techniques and is not a contract or agreement.

What are cookies, web beacons and similar techniques?

A cookie is a tiny data file, which is stored on your computer within the web browser, when certain web pages are visited. A cookie does not contain or collect information in isolation, but when read by a server via a web browser; it can give information to facilitate a more user friendly service such as detecting errors. We do not retain a cookie longer than necessary. Web beacons are small graphic images (also called "pixel tags" called or "clear POISON's") that may be installed on or in our websites, communication services, applications and other used tools. Web beacons are used for different purposes, including measuring performance of our websites, tracking the number of visitors to our web sites and how to navigate it accordingly. Under similar techniques for storing information we understand other technologies that store information on your browser or device and that use local shared objects or local storage. Examples include flash cookies, HTML 5 cookies and other web application software methods. For simplicity, we use the term cookie in our policy to cover the total scope of cookies, web beacons and similar techniques. To use our website fully, you will need to have cookies enabled. If you do not wish to enable cookies, you can still browse the site; however certain features of the site may be limited. This information is outlined as part of our efforts to comply with recent legislation and to ensure that we are open, honest and clear about cookies and privacy. Please refer to our Orion Privacy Policy for more information about privacy.

How do we use cookies?

You may notice the presence of different types of cookies generated on your visit to this website. We use the following types of cookies:

- Functional cookies

Functional cookies

These cookies are necessary to make it possible to surf the website(s) of Orion and use the website's functions, such as accessing protected areas of the website. Without these cookies, such functions, including shopping baskets and electronic payment, are not possible.
We might use these cookies for:

- Authentication of users for a secured login;
- Remembering products that you add to your shopping basket during online purchasing;
- Remembering information that you fill in on the various pages when paying or ordering so that you don't have to fill in all your details repeatedly;

Cookie policy

- Passing on information from one page to the next, for instance if a long survey is being filled in or if you need to fill in a large number of details for an online order;
- Storing preferences such as language, location, the number of search results to be displayed etc;
- Storing settings for optimal video display, such as buffer size and your screen's resolution details;
- Reading your browser settings so that we can display our website optimally on your screen;
- Locating misuse of our website and services, for example by recording several consecutive failed log-in attempts;
- Loading the website evenly so that it remains accessible;
- Offering the option of storing log-in details so that you don't have to enter them every time;
- Making it possible to place a reaction on our website.

Your choices
Orion places and uses the functional cookies when you explore our website to ensure the proper functioning of the website. Only after you have given your consent, Orion places the analytical, advertising and social media cookies. We provide you the choice to set your preference related to the use of the kind of cookies for the first use of the website. We will store you preference for your next visit but you can always adjust your preference.

How to control cookies
You can control and/or delete cookies as you wish – for details, see aboutcookies.org. You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being used. If you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.

Beleidswijzigingen
We may change this Cookie Policy from time to time. We will inform you when we update the cookie policy but we also encourage you to take notice of this policy regularly. This policy was last modified on 11 July 2017.
